RAM LAKHAN SINGH YADAV COLLEGE
KOKAR, RANCHI

Proposed Academic Calendar of Department of Economics

(2020-21)

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester III (2019-22)
Paper: CC 5 (Intermediate Microeconomics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2020	Consumer's Equilibrium	
August	Theory of Production and Costs	
September	Market Structure	
Mid Sem Exam		
October	Market Structure	
November	Factor Pricing	
December	Factor Pricing	
End Sem Exam		

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester III (2019-22)
Paper: CC 6 (Intermediate Macroeconomics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2020	Theories Output and Employment	
August	Consumption Function	
Mid Sem Exam		
September-October	Investment	
November	Simple Income Determination Models	

December	Unemployment	
End Sem Exam		

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester III (2019-22)
Paper: CC 7 (Public Finance)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2020	Nature and scope of Public Finance	
August	Public Expenditure	
Mid Sem Exam		
September-October	Taxation	
November	Public debt and financial administration	
December	Financial Decentralization in India	
End Sem Exam		

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester IV (2018-21)
Paper: CC 8 (Intermediate Microeconomics II)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2020	Equilibrium Efficiency and Welfare	
August	Equilibrium Efficiency and Welfare	
September	Market Failure	
October	Imperfect Market structure	
November	Imperfect Market structure	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester IV (2018-21)
Paper: CC 9 (Intermediate Macroeconomics II)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
September 2020	Quantity Theory of Money	
October	Fiscal and Monetary Policy	
November	Recent Schools of Macroeconomic thought	

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester IV (2018-21)
Paper: CC 10 (International Trade)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2020	Importance of Trade and Trade Theories	
August	Gains from Trade	
September	Tariffs and Quotas	
October-November	Balance of Trade and Balance of Payments and Multi-lateral agencies	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester V (2018-21)
Paper: CC 11 (Indian Economy)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2020	Economic Development since Independence Population and Human Development	
January 2021	Growth and Distribution India's Foreign Trade	
February	Policies and Performance in Agriculture Policies and Performance in Industry	
March	Some recent initiatives for inclusive development Introduction to Jharkhand Economy	

Name of the Teacher: Mrs. Nancy Tirkey
Year: UG Semester V (2018-21)
Paper: CC 12 (Development Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2020	Conceptions of Development	
January 2021	Growth Models and Empirics	
February	Poverty and Inequality	
March	Role of Planning Commission, NITI Ayog and Future Planning	

Name of the Teacher: Mrs. Nancy Tirkey
Year: UG Semester V (2018-21)
Paper: DSE 1A (Advanced Mathematical Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2020	Functions of Two and more than two variables Constrained Maximum and Minimum Values	
January 2021	Partial Derivatives and Total Differentials Integral calculus and Differential Equation	
February	Market Structure /Pricing Matrix Algebra	
March	Input-Output Analysis, Linear Programming Game Theory	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester V (2018-21)
Paper: DSE 1B (Economics of Agriculture)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2020	Nature scope and role of Agricultural Economics Role of Land, labour and Capital in	

	Agriculture	
January 2021	Theory of Production Cost Relationship and Profit Maximization	
February	Agricultural Price Determination Supply Behaviour in Agriculture	
March	Farm Size and Productivity, Farm Management Risk and Uncertainty in Farming	

Name of the Teacher: Mrs. Nancy Tirkey
Year: UG Semester V (2018-21)
Paper: DSE 2A (Economics of Health and Education)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2020	Role of Health and Education in Human Development	
January 2021	Microeconomic Foundations of Health Economics	
February	Evaluation of Health Program Health Sector in India: An Overview	
March	Education: Investment in Human Capital Education Sector in India	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester V (2018-21)
Paper: DSE 2B (Jharkhand Economy)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2020	Economic Growth and Structure of Jharkhand Economy	
January 2021	Demographic features of Jharkhand Status of Poverty, Unemployment and Food Security	
February	Poverty Alleviation Programs Land Forest and Environmental Issues in Jharkhand	
March	Five Years Plan in Jharkhand	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester IV (2019-22)
Paper: CC 8 (Intermediate Microeconomics II)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
January 2021	Equilibrium Efficiency and Welfare	
February	Equilibrium Efficiency and Welfare	
March	Market Failure	
Mid Sem Exam		
April	Market Failure	
May	Imperfect Market structure	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester IV (2019-22)
Paper: CC 9 (Intermediate Macroeconomics II)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
March 2021	Quantity Theory of Money	
April	Fiscal and Monetary Policy	
May-June	Recent Schools of Macroeconomic thought	

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester IV (2019-22)
Paper: CC 10 (International Trade)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
January 2021	Importance of Trade and Trade Theories	
February	Gains from Trade	
March	Tariffs and Quotas	
April	Balance of Trade and Balance of Payments and Multi-lateral agencies	

May- June	Balance of Trade and Balance of Payments and Multi-lateral agencies	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester VI (2018-21)
Paper: CC 13 (Environmental Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
April 2021	Introduction to Environmental Economics	
May	The Design and Implementation of Human Policies	
June	The Design and Implementation of Human Policies	
July	Environmental Valuation Methods and Application	
August	Environmental Valuation Methods and Application Sustainable Development	
September	Sustainable Development	

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester VI (2018-21)
Paper: CC 14 (Money Banking and Financial Market)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
April 2021	Money	
May	Financial Institutions, Market, Instruments and Financial Innovations	
June	Financial Institutions, Market, Instruments and Financial Innovations	
July	Banking System	
August	Central Banking	
September	Monetary Policy	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester VI (2018-21)
Paper: DES 3A (Elementary Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
April 2021	Nature and Scope of Econometrics Statistical Concepts	
May	Statistical Concepts	
June	Simple Linear Regression Model: Two Variable Case	
July	Multiple Linear Regression Model	
August	Violation of Classical Assumptions, Consequences, Detection and Remedies	
September	Specification Analysis	

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester VI (2018-21)
Paper: DSE 3B (Agricultural Problems in India)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
April 2021	Rural Economy of India	
May	Rural Economy of India	
June	Development of Agriculture	
July	Development of Agriculture Technological Changes in Agriculture	
August	Technological Changes in Agriculture	
September	State and Agriculture	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester VI (2018-21)
Paper: DSE 4A (Theory of Demography)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
April 2021	Introduction to Demography	
May	Sources of Demographic Data in India	
June	Sources of Demographic Data in India	
July	Health Survey	
August	Population Projection	
September	Population Policy	

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester VI (2018-21)
Paper: DSE 4B (Economics of Labour)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
April 2021	Labour Economics and Labour Problems	
May	Labour in India	
June	Labour in India	
July	Agriculture Labour in India	
August	Wages	
September	Social Security Measures of Labour in India	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester V (2019-22)
Paper: CC 11 (Indian Economy)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2021	Economic Development since Independence Population and Human Development	
August	Growth and Distribution India's Foreign Trade	
September	Policies and Performance in Agriculture	

	Policies and Performance in Industry	
October	Policies and Performance in Agriculture Policies and Performance in Industry	
November	Some recent initiatives for inclusive development Introduction to Jharkhand Economy	
December	Some recent initiatives for inclusive development Introduction to Jharkhand Economy	

Name of the Teacher: Mrs. Nancy Tirkey
Year: UG Semester V (2019-22)
Paper: CC 12 (Development Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2021	Conceptions of Development	
August	Growth Models and Empirics	
September	Poverty and Inequality	
October	Poverty and Inequality	
November	Role of Planning Commission, NITI Ayog and Future Planning	
December	Role of Planning Commission, NITI Ayog and Future Planning	

Name of the Teacher: Mrs. Nancy Tirkey
Year: UG Semester V (2019-22)
Paper: DSE 1A (Advanced Mathematical Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2021	Functions of Two and more than two variables Constrained Maximum and Minimum Values	
August	Partial Derivatives and Total Differentials Integral calculus and Differential Equation	
September	Market Structure /Pricing	
October	Matrix Algebra	

November	Input-Output Analysis, Linear Programming Game Theory	
December	Input-Output Analysis, Linear Programming Game Theory	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester V (2019-22)
Paper: DSE 1B (Economics of Agriculture)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2021	Nature scope and role of Agricultural Economics Role of Land, labour and Capital in Agriculture	
August	Theory of Production Cost Relationship and Profit Maximization	
September	Agricultural Price Determination	
October	Supply Behaviour in Agriculture	
November	Farm Size and Productivity, Farm Management	
December	Risk and Uncertainty in Farming	

Name of the Teacher: Mrs. Nancy Tirkey
Year: UG Semester V (2019-22)
Paper: DSE 2A (Economics of Health and Education)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2021	Role of Health and Education in Human Development	
August	Microeconomic Foundations of Health Economics	
September	Evaluation of Health Program	
October	Health Sector in India: An Overview	
November	Education: Investment in Human Capital	

December	Education Sector in India	

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester V (2019-22)
Paper: DSE 2B (Jharkhand Economy)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
July 2021	Economic Growth and Structure of Jharkhand Economy	
August	Demographic features of Jharkhand	
September	Status of Poverty, Unemployment and Food Security	
October	Poverty Alleviation Programs	
November	Land Forest and Environmental Issues in Jharkhand	
December	Five Years Plan in Jharkhand	

Current Academic Calendar (2020-21)

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester I (2020-23)
Paper: CC 1 (Introductory Microeconomics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
November 2020 (session starts)	Exploring the Subject matter of Economics	Completed
December	Supply and Demand: How markets work, markets and welfare	Completed
January 2021	The Households	Completed
February	Firm and Market Structure	Completed
March	Firm and Market Structure	Continued

April	Input Market, Land, Labour market	Completed
July	Input Market, Land, Labour market	Completed
August	Revision, Tests	Completed

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester I (2020-23)
Paper: CC 2 (Elementary Statistics for Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
November 2020 (session starts)	Introduction to Statistics	Completed
December	Central Tendency and Dispersion	Completed
January 2021	Central Tendency and Dispersion	Completed
February	Correlation and Regression	Completed
March	Regression	Completed
April	Index number	Completed
July	Probability	Completed
August	Revision, Tests	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: UG Semester II (2020-23)
Paper: CC 3 (Introductory Macroeconomics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
September 2021	Introduction to Macroeconomics and National Accounting	Completed
October	Money	Completed
November	Inflation	Completed
December	The Closed Economy income determination model in Short Run	Completed

Name of the Teacher: Dr. Nancy Tirkey
Year: UG Semester II (2020-23)

Paper: CC 4 (Elementary Mathematical Methods in Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
September 2021	Preliminaries Functions of One Real variable	Completed
October	Functions of One Real variable	Completed
November	Single-Variable Optimisation Exponential and Logarithmic Functions	Completed
December	Integration	Completed

Name of the Teacher: Mrs. Neetu Kumari

Year: UG Semester I (2021-24)

Paper: CC 1 (Introductory Microeconomics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2021	Exploring the Subject matter of Economics	Completed

Name of the Teacher: Dr. Nancy Tirkey

Year: UG Semester I (2021-24)

Paper: CC 2 (Elementary Statistics for Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters completed
December 2021	Introduction to Statistics	Completed

Name of the Teacher: Dr. Nancy Tirkey
Year: PG CBCS Programs Sem 1 (2020-22)
Paper: FC101 (Elementary Mathematical Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
November 2020	Sets limits and function	Completed
December	Differentiation	Completed
January 2021	Integration	Completed
February	Maxima Minima	Completed
March	Matrices and Determinants	Completed
April	Linear Programing	Completed
May-June	Game theory	Completed
July	Game theory	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem 1 (2020-22)
Paper: CC102 (Micro Economic Analysis)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
November 2020	Consumer Behavior and Demand Analysis	Continued
December	Consumer Behavior and Demand Analysis	Completed
January 2021	Theory of Production and Cost	Continued
February	Theory of Production and Cost	Completed
March	Price and output Determination in Perfect Competition	Completed
April	Price and output Determination in Monopoly	Completed
May-June	Price and output Determination in Monopoly	Completed
July	Revision	Completed

Name of the Teacher: Dr. Nancy Tirkey
Year: PG CBCS Programs Sem 1 (2020-22)
Paper: CC103 (Macro Economic Analysis)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
November 2020	Micro Foundations	Completed
December	Consumption Function	Completed
January 2021	Consumption Function	Completed
February	Investment function	Completed
March	Demand for money	Continued
April	Supply of money	Completed
May-June	Supply of money	Completed
July	Revision	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem 1 (2020-22)
Paper: CC104 (Economics of Environment)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
November 2020	Economics of Natural Resources, Sustainable development and Environmental Accounting	Continued
December	Economics of Natural Resources, Sustainable development	Completed
January 2021	Sustainable development Environmental Accounting	Continued
February	Measurement of Environmental values	Completed
March	Measurement of Environmental values	Continued
April	Environment and natural resource problems and policies in India	Completed
May-June	Environment and natural resource problems and policies in India	Completed

July	Revision	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem III (2019-21)
Paper: CC 301(Soft Skills for Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
July 2020	Basics of Communication and Effective communication	Continued
August	Basics of Communication and Effective communication	Completed
September	Resume writing and Interview skills	Completed
October	Group Discussion and Team Building	Completed
November	Numerical Ability	Completed
December	Test of Reasoning	Completed

Name of the Teacher: Dr. Nancy Tirkey
Year: PG CBCS Programs Sem III (2019-21)
Paper: CC 302 (International Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
July 2020	Theory of International Trade	Completed
August	Terms of Trade and Gains from Trade	Completed
September	Theory of Intervention	Continued
October	Theory of Intervention	Completed
November	Exchange rate and Balance of payments	Completed
December	Theories of Regional Blocks	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem III (2019-21)
Paper: CC 303 (Research Methodology and Elementary Econometrics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
July 2020	Concept of Research	Completed
August	Research Process and Research Design	Completed
September	Data for Research	Completed
October	Statistical Methods	Completed
November	Elementary Econometrics	Completed
December	Layout of Research paper	Completed

Name of the Teacher: Dr. Nancy Tirkey
Year: PG CBCS Programs Sem III (2019-21)
Paper: CC 304 (Economic Growth and Development)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
July 2020	Introduction	Completed
August	Theories of Economic Development	Continued
September	Theories of Economic Development	Completed
October	Approaches to Development	Completed
November	Some other Approaches to Development	Continued
December	Some other Approaches to Development	Completed

Name of the Teacher: Mrs. Nancy Tirkey
Year: PG CBCS Programs Sem IV (2019-21)
Paper: EC-ECO 401 A. (Advanced Mathematical Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
January 2021	Theory of Optimisation	Continued
February	Theory of Optimisation Application of Optimisation Theory	Completed Continued
March	Application of Optimisation Theory	Completed
April	Market Equilibrium	Completed
May	Application of Matrices	Continued
June	Application of Matrices	Completed
July	Growth Models and Fluctuations	Continued
August	Growth Models and Fluctuations	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem IV (2019-21)
Paper: EC-ECO 401B (Agricultural Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
January 2021	Agriculture and Economic Development	Continued
February	Diversification of Rural Economic Activities	Completed
March	Economics of Rural Infrastructure	Completed
April	Agricultural Production and Productivity	Completed
May	Land Reforms and Land Policy	Completed
June	Rural labour Market Rural Finance	Completed
July	Agricultural Prices	Completed
August	Agriculture and External Sector	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem IV (2019-21)
Paper: EC-ECO 402A (Econometrics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
January 2021	Basic Econometrics	Continued
February	Basic Econometrics	Completed
March	Problems in Regression Analysis	Continued
April	Problems in Regression Analysis	Completed
May	Regression with Qualitative in Dependent Variables	Continued
June	Regression with Qualitative in Dependent Variables	Completed
July	Dynamic Econometric Model	Completed
August	Simultaneous Model	Completed

Name of the Teacher: Mrs. Nancy Tirkey
Year: PG CBCS Programs Sem IV (2019-21)
Paper: EC-ECO 402B (Demography)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
January 2021	Introduction to Demography	Continued
February	Introduction to Demography	Completed
March	Measurement of Population Growth	Completed
April	Factors Affecting Population Growth	Completed
May	Theories of Population	Completed
June	Population Growth and Development	Continued
July	Population Growth and Development	Completed
August	Migration and Urbanisation	Completed

Name of the Teacher: Mrs. Nancy Tirkey
Year: PG CBCS Programs Sem IV (2019-21)
Paper: CC-ECO 403 (Indian Economics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
January 2021	Structure of Indian Economy	Completed
February	Population and Human Resources	Continued
March	Population and Human Resources	Completed
April	Agriculture	Continued
May	Agriculture Industry	Completed Continued
June	Industry	Completed
July	Service Sector	Completed
August	External Sector	Completed

Name of the Teacher: Mrs. Nancy Tirkey & Mrs. Neetu Kumari
Year: PG CBCS Programs Sem IV (2019-21)
Paper: PRE-ECO 404 (Project/Dissertation)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
January 2021-August 2021	Dissertation Topic selection, Chapterisation, Methodology and Final Analysis	Completed

Name of the Teacher: Mrs. Nancy Tirkey
Year: PG CBCS Programs Sem II (2020-22)
Paper: CC-ECO 201 (Economics of Social Sector)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters

August 2021	Education Health and Development	Completed
September	Economics of Education, Human Capital Vs Physical Capital	Completed
October	Economics of Health	Completed
November	Resource Mobilisation in Education	Completed
December	Development Policy in India	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem II (2020-22)
Paper: CC-ECO 202 (Economics of Imperfect Market)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
August 2021	Price & Output Determination under Imperfect Competition	Completed
September	Alternative Theory of the Firm	Completed
October	Distribution	Completed
November	Welfare Economics I	Completed
December	Welfare Economics II	Completed

Name of the Teacher: Mrs. Neetu Kumari
Year: PG CBCS Programs Sem II (2020-22)
Paper: CC-ECO 203 (Macroeconomics)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
August 2021	Neo-Classical and Keynesian Synthesis	Completed
September	Theories of Inflation	Completed
October	Trade Cycle Theories	Completed
November	Monetary and Fiscal Policies	Completed
December	Indian Financial Markets	Completed

Name of the Teacher: Mrs. Nancy Tirkey
Year: PG CBCS Programs Sem II (2020-22)
Paper: CC-ECO 204 (Public Finance)

Months	Lesson Plan (Theory and Practical) Portion of the curriculum	Status of Chapters
August 2021	Introduction	Completed
September	Principles of Taxation Impact and Incidence of Taxation	Completed
October	Public Expenditure	Completed
November	Public Debt	Completed
December	Indian Public Finance	Completed
