ONLINE STUDENTS , TEACHERS AND PARENTS FEEDBACK ANALYSIS 2023-2024

Data through online students, Teachers and Parents feedback form was obtained on several dimensions for Social Science, Humanities, Science, Commerce subjects respectively on Teaching-Learning Process and Infrastructural facilities of the College. Percentage were calculated for each dimension to look into the efficiency of teaching learning and infrastructural support and thus to locate and overcome the weaknesses.

STUDENTS FEEDABACK

Collecting Student's feedback is essential as it provides teachers and institutions with valuable insights into their teaching methods and classroom dynamics thus allowing necessary improvements. Keeping this in mind a set of questions were asked from students through Google form whose link is uploaded in the college website. The questions were framed in order to understand their opinion about criteria's like academic resources and faculty involvement, support system provided by the college, infrastructure of the college and skills/ competence developed by them during their stay in college.

The institution assesses the problems encountered by the students during their entire period of education in the institution. It also helps college administration to review its policies and improve upon its academics and other facilities at regular intervals. Responses are represented as percentage of total number of feedback response. A total of 2315 responses on different parameters were collected and analyzed for the year 2023-24. It is as follows:

PARENTS FEEDBACK:

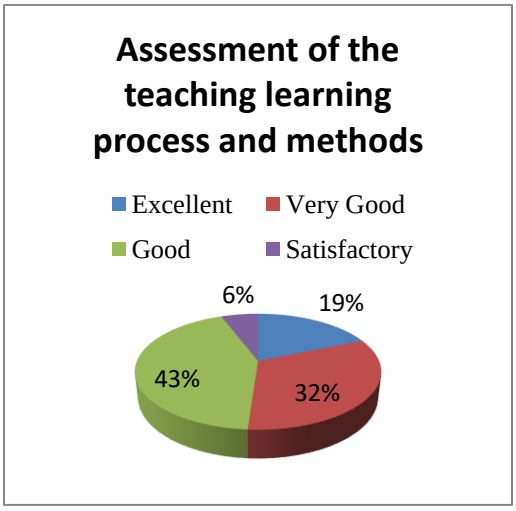
The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Every year at the end of final semester online feedback forms are distributed to the parents of final year undergraduate students. The IQAC of the institution looks into the circulation, collection and analysis of the feedback forms.

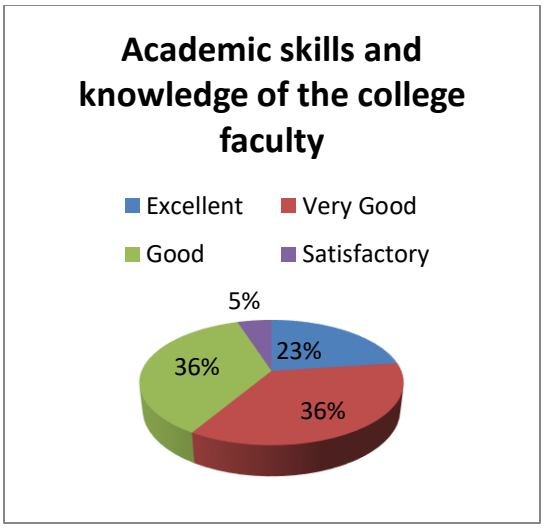
Parent's Feedback Form is designed and circulated among parents to fulfill several objectives:

1. To provide the parents the opportunity to comment on the quality of their ward's learning experience.
2. To enhance the availability and quality of resources provided by the institution.
3. To assess the overall impact of the institution on the holistic development of the student.

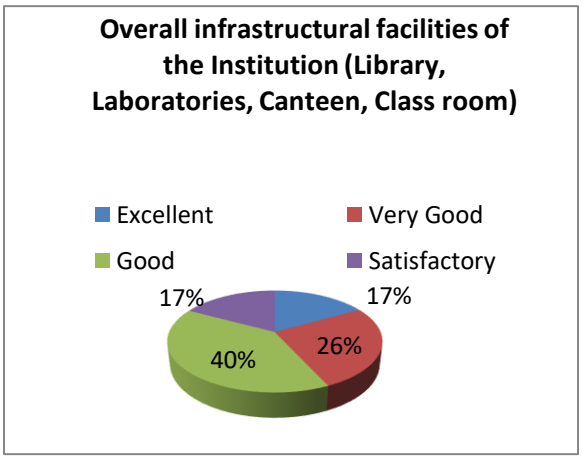
The Parents' feedback form focuses on the following parameters:

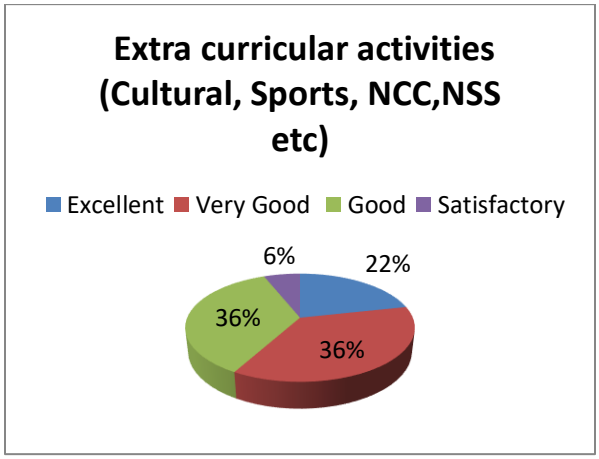
1. Academic Resources and Faculty Involvement:



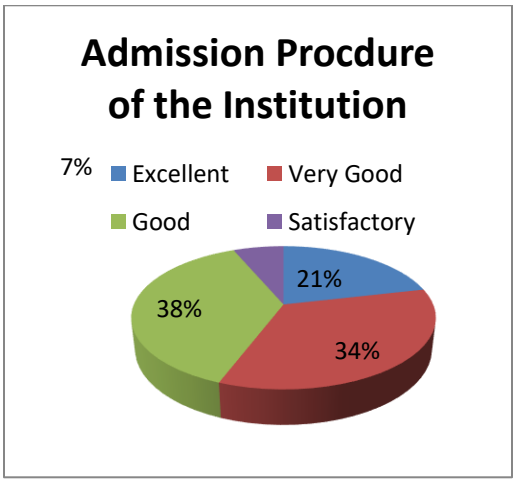


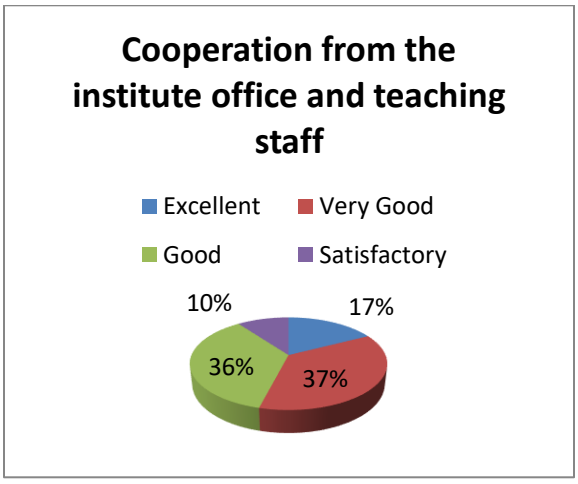
2. Academic and Physical Infrastructure:

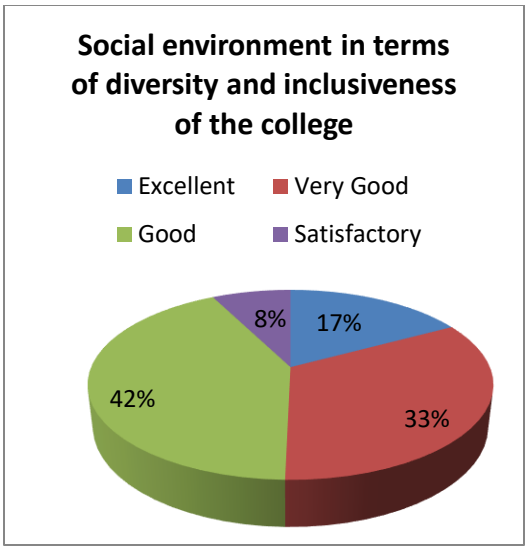


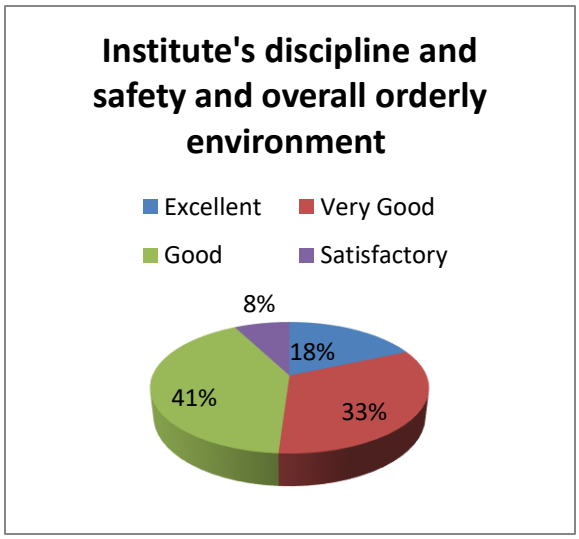


3. Support System:









4.Overall Rating:
